

**LETTER OF UNDERSTANDING FOR MEDICARE-ELIGIBLE CLIENTS**

Diamond Physical Therapy Associates, PC is not contracted with Medicare. Medicare will not cover the services rendered in this practice. Furthermore, Medicare does not reimburse for aquatic physical therapy services in public pools.

If you would like your physical therapy to be covered by insurance and if you have a Physician referral for such services, Medicare may pay for these services. We would be happy to provide you with alternative options by providing you with names of other physical therapists that are contracted with Medicare.

If you are unwavering, however, in your desire to be seen by a therapist at Diamond Physical Therapy Associates, PC for their specific expertise, we ask that you sign below. This indicates that you understand that this is a non-covered service by Medicare. We/you cannot submit any claim from our office and/or receive reimbursement from your insurance company for this service. This includes any Medicare product and any secondary insurance with Medicare being primary.

This understanding applies to ALL services rendered by Diamond Physical Therapy Associates, PC beginning with the date below.

Thank you for your understanding.

Sincerely,
